PROFILE

I am a front-end web developer with a passion for creating user-friendly applications. Proficient in HTML, CSS, JavaScript, and React JS, I enjoy learning new technologies and enhancing my skills. Currently serving as a front-end development intern, I have successfully developed interactive quizzes demonstrating my ability to build engaging and functional front-end solutions.

EDUCATION

2021-2025
RGPV BHOPAL

- Bachelors in Technology

WORK EXPERIENCE

2024 -2025 PRESENT
Engineer Sahab Education

I am a passionate front-end development intern with hands-on experience in HTML, CSS, and JavaScript. I am also familiar with modern front-end frameworks like React.js, and I'm eager to apply my skills to create dynamic, user-friendly web applications. Always excited to learn and improve, I'm dedicated to enhancing my development knowledge and contributing to impactful projects.

Projects

- I worked on designing templates for elements like forms, the navbar, and the homepage, aiming to enhance the user interface and overall experience. The focus was on creating interactive and functional UI designs that are both visually appealing and easy to use.
- I worked on creating a user-friendly Quiz App, utilizing various functions like `querySelector`, `addEventListener`, and function call methods. The goal was to make the app interactive and easy to navigate, ensuring a smooth user experience.

SKILLS

- HTML
- CSS
- Bootstrap
- JavaScript
- jQuery
- React
